

How to Layout Your Display Board

| | | | |
|------------------------------|--|--------------------------------------|-------------------|
| | Title | | |
| Abstract (summary) | Materials (use metric units) | Procedure (numbered steps) | Results |
| | Data Tables (done on computer) | | |
| Purpose | Graphs (done on computer) | | |
| Hypothesis | Pictures | | Conclusion |

Tips:

- *Don't glue until you have arranged everything.
- *Check and double check for spelling.
- *Never write directly on the board
- *Do not use Glitter Glue.
- *Use colored border.
- *Cut straight! Glue straight!

Display boards can be purchased at Office Max, Office Depot, or teacher supply stores.
