

Taking the ACT and/or SAT

SAT: Register on the CollegeBoard website, www.collegeboard.org

ACT: Register on the ACT Website, www.act.org

You are responsible for sending your scores to the colleges you are applying to. Most colleges require applicants to send them official score reports directly from the CollegeBoard or ACT.

You can send four free score reports to colleges **when you register for the SAT or ACT**. Many colleges view receiving your scores early as a demonstration of your interest.

You can still send four free score reports to colleges up to nine days after the test — after that there's a fee for sending score reports, unless you're eligible for an SAT or ACT fee waiver.

To send score reports after registration, you must log back onto College Board or ACT, click on **send scores**, enter the colleges you want them sent to, and submit payment.
