## *Ways to get involved*

### **DONATE**

The Parents' Club is *always* in need of donations for our raffle baskets and giveaways. We accept any unused donations of jewelry, note cards, soaps, kitchen items, games, etc. If you don't want it, we do! It's amazing what our gift basket assemblers are able to put together with just a few donations! Send donations to school and mark for the Parents' Club or bring them to one of the general meetings during the year. We also accept gift cards and bottles of wine and liquor\*\*.

*\*\* Please note alcoholic beverages cannot be brought to school by the students.*

### **VOLUNTEER**

There are many opportunities to volunteer a few hours of your time. Whether you are able to work in the kitchen at Night at the Races, co-chair an event or help assemble gift baskets throughout the year, any time you are able to spare is appreciated.

### **ATTEND**

We hold four general meetings throughout the school year. This is the best way to find out what we do and how you can get involved. This year will feature a guest speaker at each meeting.

**Meetings held in All Purpose Room at 7:00 PM,  
Tuesday, October 2, March 5 & Thursday January 10, May 9**

### **SUPPORT**

A lot of time and energy go into planning and executing these events. Show your support by participating in our fundraisers and activities. Every student benefits from the work of the Parents' Club, please do your best to help us in this effort by attending our social events, going on the NYC trip or attending Night at the Races!
